Communication

Date	30 October 2026
Team ID	Individual
Project Name	EV Market Analysis
Maximum Marks	1 Mark

Communication Plan:

Effective communication is essential for a successful project demonstration. This document outlines the communication strategy used within the team and with stakeholders throughout the project lifecycle, including how updates, issues, and feedback were managed.

S.No	Communication Type	Frequency	Channel / Tool	Participants	Purpose
1	Team Standup	Daily	Personal task checklist	Self	Plan daily tasks and track project progress
2	Progress Update	Weekly	Email / Google Meet	Self, Mentor	Share dashboard progress and get guidance
3	Issue / Bug Discussion	As Needed	Tableau Community, online docs	Self	Resolve data, calculation and chart issues
4	Stakeholder Review	Bi-Weekly	Google Meet / MS Teams	Self, Mentor / Evaluator	Review dashboards and collect feedback
5	Final Demo Rehearsal	Once	Tableau Desktop, screen share	Self	Practice the demo flow and timing
6	Feedback Review	As Needed	Email	Self, Mentor	Apply suggested changes to the dashboards

Communication Challenges & Resolutions:

S.No	Challenge Faced	Resolution / Action Taken
1	Mapping three user scenarios to dashboards without a team to discuss with	Created a scenario-to-dashboard mapping and reviewed it with the mentor
2	Overlapping labels on the country map and long category names	Adjusted label placement, rotated axis labels and resized charts
3	Limited feedback as the only member of the project	Scheduled periodic mentor reviews and self-checked against the scenarios
